

75th Tobacco Science Research Conference Lifetime Achievement Award Nominations

Administered by the TSRC Policy Committee

Purpose: To honor a distinguished scientist for a lifetime of outstanding contributions to any and all aspects of tobacco science research or development.

Eligibility: Mature scientists, active or retired, from academia or industry. Please note, self-nominations are not accepted. Nominations will remain on file for consideration for three years.

To nominate, send the following information and other supporting materials to: Jeremi Johnson, Policy Committee Chair, Policy@TSRCinfo.com

- Completed this Nomination Form
- Summary of Nominee's Achievements: Description of major scientific achievements, professional honors, service, leadership activities, publications or patents that demonstrate the nominee's contributions to tobacco science.
- Resume of nominee's education and professional experience.
- Two supporting letters from different individuals.
