

Tobacco Science Research Conference Lifetime Achievement Award Nominations

Administered by the TSRC Policy Committee

Purpose: To honor a distinguished scientist for their lifetime of exceptional contributions to tobacco science research or development.

Eligibility: Mature scientists, whether active or retired, from academia or industry, are invited to apply. Please note that self-nominations are not accepted. Nominations will be kept on file for consideration for three years.

To nominate: Send the following information and other supporting materials to:
Policy Committee Chair, Policy@TSRCinfo.com

- Completed this Nomination Form **no later than May 15, 2026**
- Summary of the Nominee's Achievements: A detailed description of the nominee's significant contributions to tobacco science, including their scientific achievements, professional honors, service, leadership activities, publications, and patents.
- A comprehensive resume outlining the nominee's education and professional experience.
- Two supporting letters from different individuals attesting to the nominee's qualifications and contributions.
